

## Look your best – every day!

Image coach Joanne Lim can give you the competitive advantage by showing you how to project your own powerful, personal image through customised colour and style strategies based on your unique colouring, face and body shape, size, scale, proportion and personality. She will define your personal colour palette, and help you to develop your innate sense of style. The modules include Colour, Style, Make-up, Colour and Style, and Colour and Make-up. Choose one-on-one coaching, or go as a group (a maximum of six participants).
